

Using Technology to Enhance Communication,  
Participation and Learning

## Parent Info Night and Show & Tell

- When: February 8, 2011
- Time: 6:30 – 7:30 pm
- Where: Lakeside Center for Autism

Come learn about the launch of iLearn, an assistive technology (AT) program at Lakeside Center for Autism. We will present information about AT and the use of the iPad as an AT/augmentative and alternative communication (AAC) device.

In our show & tell portion, we will demonstrate some useful apps and open the floor to parents to share which apps they are using at home. At the end of the night, you will have the opportunity to try out some of the apps!

**Please bring your iPad/iPhone to share apps that your child loves!**

RSVP's are encouraged
