

## Listening Therapy Information Night

Come and get a preview of what listening therapy might do for your child and for your family.

- **When:** *Thursday, November 18<sup>th</sup>*
- **Time:** *6:30pm to 7:30pm*
- **Where:** *Lakeside Center for Autism*

Integrated Listening System Providers and Occupational Therapists Shana Speer and Sarah Hauer will be providing information for parents and caregivers on how listening therapy works, how it can improve your family members visual, auditory and balance systems. Through impacting these three systems the listening program supports overall sensory processing, learning abilities, memory, organization and concentration.

Caregivers will have an opportunity to try out the equipment and see the activities that coincide with listening sessions.

**RSVP's are encouraged.**

Please RSVP to Kim at [kim@lakesideautism.com](mailto:kim@lakesideautism.com) by Monday, Nov 15<sup>th</sup>  
Please email Kim as well if you have any questions about the information night.

*Looking forward to seeing you there!*
